Are you REGISTERED?

You must be registered to vote before the end of **18 June** to be able to vote in the general election on 4 July 2024.

This church is part of the **Voter Registration Champions** scheme. Up to 300,000 eligible voters are at risk of not being able to vote because they aren't registered. We want every person in our community who is eligible to vote to have a voice.

It is easy to register to vote – there's a simple online form or you can fill in a paper version and post it to your council.

Do you have PHOTO ID?

This is the first general election where you must bring appropriate photo ID to the polling station when you vote.

A UK/EU **driving licence**, UK/EU **passport** or **Blue Badge** are fine, even if they are out of date, as long as the photo still looks like you and your name hasn't changed.

If you don't have appropriate photo ID, you can apply for a free **voter authority certificate** by 26 June (5pm).

Turn up to vote

Voting is the cornerstone of our democracy. It allows every eligible person to have a say on who gets to make decisions that affect all our lives. Please put voting day, **4 July, in your diary. Plan in advance** when you'll be able to visit the polling station (they are open from 7am to 10pm).

You can request a **postal vote**. This doesn't require photo ID. You must apply for this before **19 June** (5pm).
